(26 March 2007 – HONG KONG) AMVIG Holdings Limited ("AMVIG", Stock Code: 2300) and its subsidiaries (collectively "the Group") is pleased to announce the audited annual results for the year ended 31 December 2006 ("the Reporting Period"). During the Reporting period, the Group's turnover achieved recorded a strong growth in turnover from approximately HK\$383.5 million to HK\$1,122.6 million and rose 192.7% as compare to last year. Gross profit increased year-on-year by HK\$ 161.6202.5 million to HK\$ 364.1 million. The significant increase in turnover is contributed primarily attributable to by the consolidation of Qingdao, Beijing and Kunming operations. Profit attributed able to the equity holders of the Company amounted to approximately HK\$

184.3250.3 million, representing an increase of 38% as compared to the same period last year. Basic earnings per share was HK 34.8 cents.

The Board of Directors of the Group recommended the payment of a final dividend of HK12.8 cents for the year 2006.

“Year 2006 has been a year of transition for AMVIG as it strives to establish itself as the leading tobacco packaging printing specialist in the People’s Republic of China’s (“PRC”) and enhance shareholders’ “Year 2006 has been a year of transition for AMVIG as it strives to establish itself as the leading tobacco packaging printing specialist in the PRC delivering sustainable returns for its shareholders. During the year, the Company has archived its goals including co-operation and acquisition with Amcor Group and Kunming World Grand, implemented an internal restructuring among the Group’s production plants and improved its corporate governance.” said value.”” said Mr. Billy Chan, the chairman of AMVIG.

During the reporting Reporting period Period, the Group’s business recorded a stable significanttable growth, mainly attributable to the satisfaction ory growth of each plant, especially the strongly contributions from the newly acquired Qingdao, Beijing and Kunming Plants.

“AMVIG has successfully built a leadership position in most of its key product regions in the PRC. As a market leader, it is important that AMVIG develops and strengthens is its geographical presence coverage in different regions of the PRC provinces.” said Mr. Chan.

Looking forward, AMVIG has a clear strategy for the future and a clear focus on delivering consistent earnings growth while also observing closely its Corporate Governance responsibilities. The Group believes that 2007 is an extremely important and challenging year for the Company – to build on the platform established during the Reporting Period and derive benefits from the continuing integration of existing operations and further expansion through acquisition. Mr. Chan expressed confidence that “the skill and dedication of the staff, the strong support of the shareholders, and the goodwill that has been earned in the communities, provides a solid base from which the Group can tackle these challenges effectively, and secure the continuing long-term success of our Company.”

In 2007, AMVIG will continue the to push for organic growth for the integration of the in all its existing plants; and improve the management systems and controls to enhance the corporate governance, especially our governance. Our newly established Dongguan plant will be commence production in the late second half of 2007, . This new plant will capture the future growing demand for the tobacco packaging printing business in the southern region brought about by the market consolidation in the recent year. The Group will carry on its planned acquisition strategies to expand our its market share, and its well equipped and positioned to also focus on identifies ing suitable acquisition opportunities to expand its market share, consistent with its vision of becomeing the a specialist leading in the in China tobacco packaging company. This strategy if well executed will enable

the company to printing company, and to double shareholders values and create printing and laminated paper manufacturing sector to deliver reasonable returns for its long term supportive shareholders and investors.
